THE COMPANY

The Company, a Pennsylvania corporation incorporated in 1969, is principally engaged in the manufacture and sale of products used in controlling, modifying, simulating and measuring environmental factors such as temperature, humidity, pressure, and vacuum. These products include aircrew training systems, sterilizers, environmental systems and other products which involve similar manufacturing techniques and engineering technologies.

The Company's executive offices are located at County Line Industrial Park, Southampton, Pennsylvania 18966, and its telephone number is (215) 355-9100.

RECENT DEVELOPMENTS

On March 27, 1997, the Company entered into a Revolving Credit Agreement (the "Credit Agreement"), dated as of March 27, 1997, between the Company and First Union National Bank (the

"Bank"). The Credit Agreement provides the Company a senior revolving credit facility up to \$10.0 million until May 31, 1998 and \$9.0 million after May 31, 1998. The Credit Agreement contains customary covenants, including financial covenants regarding the Company's current ratio, leverage ratio and cash flow. The revolving credit facility expires on May 31, 1999. At April 30, 1997, the Company had approximately \$6.8 million of available credit under the Credit Agreement. However, because of write downs of certain inventory and other year-end adjustments that resulted in the Company recognizing a net loss of \$20,000 for the fiscal year ended February 28, 1997, as of June 6, 1997, the Bank has made all credit availability under the Credit Agreement subject to specific prior approval by the Bank pending a review of the Company's financial condition. The Company believes this restriction will be temporary.

On March 27, 1997, the Company completed a private placement of (i) \$4.0 million aggregate principal amount of its 12% Debentures due March 27, 2004 (the "Debentures") to Sirrom Capital Corporation ("Sirrom") pursuant to a Debenture Purchase Agreement, dated March 27, 1997, between the Company and Sirrom, (ii) 25,000 shares of Series A Convertible Preferred Stock (the "Preferred Stock") to Sirrom pursuant to a Preferred Stock Purchase Agreement (the "Preferred Stock Agreement"), dated March 27, 1997, between the Company and Sirrom, and (iii) Warrants (the "Sirrom Warrants") to purchase up to 5% of Company's outstanding Common Stock pursuant to the Stock Purchase Warrant (the "Stock Purchase Warrant"), dated March 27, 1997, issued by the Company to Sirrom. The Company received net cash proceeds of \$5,791,000 from the sale of the Debentures, Preferred Stock and Sirrom Warrants.

The Company used approximately \$989,000 of the available credit under the Credit Agreement and \$5,791,000 of the proceeds received from the sale of the Debentures, Preferred Stock and Sirrom Warrants to pay all of the Company's outstanding indebtedness to The Chase Manhattan Bank ("Chase") under the Old Credit Agreement, between the Company and Chase.

RISK FACTORS

U.S. Government Contracts. A significant portion of the Company's net revenues are attributable to contracts with agencies of the U.S. Government or with other customers who had prime contracts with agencies of the U.S. Government.

The Company's contracts with the U.S. Government contain standard terms permitting termination without cause at the option of the U.S. Government. In the event of termination of such contracts, the Company is entitled to receive reimbursement on the basis of work completed (cost incurred plus a reasonable profit), recording the amounts anticipated to be recovered from termination claims in income as soon as those amounts can be reasonably determined rather than at the time of final settlement. All costs applicable to a termination claim are charged as an offsetting expense concurrently with the recognition of income from the claim.

Unbilled contract costs subject to negotiation represent claims made or to be made against the U.S. Government. The Company records claims to the extent of contract costs incurred. These costs generally are incurred in connection with U.S. Government-caused delays, errors in specifications and designs, and other unanticipated causes. In accordance with generally accepted accounting principles, revenue recorded by the Company from a claim does not exceed the incurred contract costs related to the claim. Such claims are subject to negotiation and audit by the U.S. Government.

While the Company believes its claims against the U.S. Government are justified, no assurances can be given that the Company will recover the full amount of such claims. Failure to so recover could have a material adverse impact on the Company, depending on the amount of unrecovered claims.

Dependence Upon Chief Executive Officer. The Company is dependent upon the guidance of its founder and President, William F. Mitchell, the loss of whose services would have a material adverse effect on the Company's future. Accordingly, the Company maintains key-person life insurance payable to the Company on the life of Mr. Mitchell in the amount of \$1,000,000.

Competition. In some areas of its business the Company competes with well-established firms, some of which have substantially greater financial and personnel resources than the Company. Some of these competitor firms have greater technical expertise and production capabilities than the Company in one or more of the areas involved in the design and production of physiological flight training equipment, environmental systems, and other specially designed products. The Company faces particularly intense competition from a number of firms in the sale of hospital sterilizers.

Restriction on Cash Dividends. No cash dividends on the Company's Common Stock have ever been paid. Under the terms of the Credit Agreement the Company is prohibited from declaring or paying any cash dividends on the Common Stock without the prior written consent of the Bank. Under the terms of the Debenture Agreement, the Company is prohibited from declaring or paying any cash dividend if, after giving effect to such dividend, an event of default would exist under the Debenture Agreement.

Customers. The Company does not believe that the distribution of its sales for any particular period is necessarily indicative of the distribution expected for any other period. A material portion of the Company's export sales have been to Far East and Middle East countries whose economies and/or governments are subject to instabilities. On some export sales, customers' obligations to the Company are not collateralized by irrevocable letters of credit.

USE OF PROCEEDS

The Company would receive approximately \$548,000 of net proceeds from the sale of 105,780 shares of Common Stock upon the exercise of the Warrants, without regard to incidental expenses. Such proceeds are expected to be expended to support the Company's working capital needs.

SELLING SECURITYHOLDERS AND PLAN OF DISTRIBUTION

The shares of Common Stock covered by this Prospectus are issuable upon exercise of the Warrants. CMCC and any transferee of the Warrants are entitled to exercise any or all of the Warrants at any time before 5:00 p.m. (New York City time), May 23, 2001, upon payment to the Company of \$5.18 per share (subject to antidilution adjustments). There are no underwriters involved in any such exercise. As of the date of this Prospectus, CMCC or any transferee of the Warrants would beneficially own approximately 3.44% of the Company's Common Stock if CMCC or any transferee of the Warrants were to purchase 105,780 shares of Common Stock issuable under the Warrants.

This Prospectus also covers resales by CMCC and its transferees of the Warrants of up to 105,780 shares of Common Stock issuable to CMCC upon the exercise of the Warrants. CMCC is an affiliate of Chase. There is no other material relationship between the Company and CMCC as of the date of this Prospectus. However, prior to March 28, 1997, Chase was the major creditor of the Company and had been the major creditor during the preceding three years. As of the date of this Prospectus, CMCC does not beneficially own any Common Stock other than the Common Stock receivable upon the exercise of the Warrants. The Company will not receive any proceeds from CMCC's resale of any shares of Common Stock.

Resales of the Common Stock offered hereby by CMCC or the transferees of the Warrants may be effected in one or more transactions that may take place on AMEX or otherwise, including ordinary broker's transactions, privately negotiated transactions or through sales to one or more dealers for resale of such securities as principals, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. Usual and customary or specifically negotiated brokerage fees or commissions may be paid by CMCC or such transferees.

LEGAL MATTERS

The legality of the Common Stock offered hereby will be passed upon for the Company by Stevens & Lee, Reading, Pennsylvania, counsel to the Company.

EXPERTS

The consolidated balance sheets as of February 28, 1997 and February 23, 1996 and the related consolidated statements of operations, changes in stockholders' equity and cash flows for the years then ended, incorporated by reference in this Prospectus have been incorporated herein in reliance on the report of Grant Thornton LLP, which report includes an emphasis of a matter paragraph that described the claims receivable discussed in Note 2 to the consolidated financial statements.

This Prospectus does not constitute an offer or a solicitation in any jurisdiction to any person to whom it is unlawful to make such an offer or solicitation. Neither the delivery of this Prospectus nor any sale made hereunder shall, under any circumstances, create an implication that there has been no change in the circumstances of the Company or the facts herein set forth since the date hereof.

Item 15. Indemnification of Directors and Officers.

Pennsylvania law provides that a Pennsylvania corporation may indemnify directors, officers, employees and agents of the corporation against liabilities they may incur in such capacities for any action taken or any failure to act, whether or not the corporation would have the power to indemnify the person under any provision of law, unless such action or failure to act is determined by a court to have constituted recklessness or willful misconduct. Pennsylvania law also permits the adoption of a bylaw amendment, approved by shareholders, providing for the elimination of a director's liability for monetary damages for any action taken or any failure to take any action unless (1) the director has breached or failed to perform the duties of his office and (2) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness.

The bylaws of the Company provide for (1) indemnification of directors, officers, employees and agents of the registrant and its subsidiaries and (2) the elimination of a director's liability for monetary damages, to the fullest extent permitted by Pennsylvania law.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; (2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be

the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized in the Township of Southampton, Commonwealth of Pennsylvania, on June 12, 1997.
